MICOSAY | BARTLE SCOUT RESERVATION

# VISITOR POLICY

Each and every year, many Micosay members visit the H. Roe Bartle Scout Reservation for visitor days and ceremonies during sessions they are not camping with their troop. In order to make our camps the safest possible, please review our **Camp Visitor Policy** so you can plan your visit accordingly.

- **All visitors must pre-register and check in upon arrival**
  *(includes all ceremonies, but excludes visitor days before 5pm)*

**OR CLICK HERE**

- **All visitors MUST show Visitor Pass/photo ID at time of check-in**
- **All approved visitors will be issued a wristband**
- **Wristbands must be worn at all times when on camp property**

Anyone on the Reservation after 5pm on visitor days or anytime on non-visitor days must check-in and wear a wristband.

## ON VISITOR DAYS **ONLY**

Micosay members that attend a visitor day and stay to participate in resolutions or ceremonies that evening **MUST** check-in prior to 5pm to remain on the Reservation, either to participate in Micosay activities or to join your troop camping as a part-time leader.

If you are coming to camp as a part-time unit leader and are arriving after 5pm, you **MUST** check in at RHQ and **MUST** have a completed health form.

Micosay members staying **ONLY** to participate in Micosay activities on visitor days will be able to check in at any of the ORTC Trading Posts. This will allow you to participate in the evening Micosay activities.

Your assistance and diligence to protect our Scouts is necessary and appreciated. We look forward to seeing you at camp this summer to help our Scouts enjoy a fun, enriching and safe camping and Micosay experience.
